A History of the American Experiment

BILL OF RIGHTS INSTITUTE
# Table of Contents

## WHAT IS THIS RESOURCE?

OpenStax and the Bill of Rights Institute’s U.S. History resource is a different kind of history textbook based on narrative, compelling stories. With contributions from nearly 100 scholars, this resource invites students to investigate the central themes and ideas of American history. The entire resource will be hosted on OpenStax’s Tutor platform, which allows for adaptive learning at no cost to your district.

## HOW IS IT STRUCTURED?

Each unit is divided into chapters that contain various components. Each component includes review and stimulus-based multiple-choice questions. In addition, each unit has a summative essay activity. The components included in each chapter are to the left.
